## FRANKFORT ROUNDABOUT

FRANKFORT, JUNE 11, 1892.

## Base Ball.

## FRANKFORT VS. VERSAILLES.

In spite of the threatening weather there was a fair crowd at the Park last Friday to see the game between the Frankforts and the Versailles team. This game was rather uninteresting, being simply a walk-over for the home boys, and is hardly worth a detailed description. The visitors were entirely at the mercy of both Merchant and Stagg, who pitched the last inning, and no phenomenal fielding was required. Tom Stagg's throwing from left field to first base and Newman's base running were the most noteworthy features outside of the locals' heavy hitting. It is due the visitors to say, however, that they were minus the services of some of their best players.

## FRANKFORT VS. OLYMPICS.

Tuesday's game while also one-sided, was the prettiest of the season. Shelley and Boone, who were advertised as the Olympics' battery, could not come, and Vernon and Berry were on the points. During most of the game Vernon had the home boys guessing, but just at the critical points the hits and errors came together and enabled the Frankforters to run up a total of eight, with an inning to spare. It was the Olympics' first defeat of the season and they played their best to win, but were barely able to avoid a shut-out.

Their principal stumbling blocks were Penny Merchant and Sherry Wintersmith, ably assisted by Roxy Davis and Tommie Newman. Three

measly little hits were all Penn allowed them, and two of these were scratches—one a grounder to Newman, which he thought was a foul, and the other a pop fly which dropped between second and center. The only clean hit was a grass-cutter to left by Berry.

Merchant's pitching was probably the best ever seen on the local grounds. He gave but one base on balls, and watched the bases like a hawk, throwing out no less than four of the visitors between first and second. Tommie Newman scored four runs and three hits—one a triple—out of four times at the bat, and one base on balls. Davis got four hits—two singles and two doubles. The fielding honors were carried off by Newman, Wintersmith and Lindsey. Newman's running catch of a foul fly up against the fence, from Hudson's bat in the second, was a beauty, and Wintersmith's short stop work robbed the visitors of several hits. His only error was of a doubtful character, being a low throw of a hard-hit ball.

The home boys runs were scored as follows: Two in the first on hits by Newman, Davis and Merchant and Saunders' error of Stagg's hit; two in the second on Tupper's error of VanDerveer's hit, a single by Newman and a double by Davis; one in the seventh on VanDerveer's hit, Tupper's error of Newman's drive, Davis' hit, Merchant's force out of VanDerveer at the plate, and Stagg's sacrifice, which scored Newman; and three in the eighth on Lord's error of Wintersmith's hit, VanDerveer's base on balls, Newman's triple, which brought in the first two and Davis' double which scored Tommie. The visitors' only run was made in the fourth, when Nelson misjudged Glazebrook's long fly, allowing him to take second. Tupper advanced him to third on a sacrifice and he scored on Berry's clean hit. Berry stole second but was left. The score follows:

## BASE HITS.

—Phillips is a member of the Lexington team and was a "school-mate" of Roxy's. His coaching was one of the features.

—The Olympics will play two games here July 4th. Young and Shelley will probably be their pitchers.

—That was a close decision of Mr. Richardson's at the plate in the seventh. Dick got there almost at

the same time the ball did. The crowd didn't mind his being called out so much as the other three boys being sent back to their bases after they had scored during the wrangle. Barring this, Mr. Richardson's umpiring was first-class, and there was no occasion for any kicking.

—The Olympics were a jolly good-natured set of fellows and made many friends here.

—Berry, Wood, Vernon, Glazebrook and Tupper are all first-class ball players, but they couldn't hit Penn.

—The home club plays at Versailles Monday. They expected to play at Pleasureville to-day, but the date was cancelled.

—A small boy was hit in the eye by a thrown ball during the game. This should be a warning to the people not to crowd close to the diamond.

—Henry Lindsey has had thirty chances at first base in three games, accepting them all. He is the only player with a clean fielding record. Fayette Hewitt leads in batting, having made three hits in five times at bat, the only game he played; Davis is second, 6 hits in 16 times at bat, and Newman and Stagg third, each 5 hits in 14 times.

## \$100 Reward, \$100.

The readers of the ROUNDABOUT will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
